

BUY a COMPONENT for the PLAYGROUND at Kelley Park

Be a part of the community effort to bring recreation and imagination to our village! Once the playground has been completed, each sponsored component will proudly display a donor recognition plaque that will prominently acknowledge the donor's name or business. We will contact you to discuss what you would like to appear on your plaque.

I would like to sponsor the following playground component(s):

*This list is based on our preliminary design as of 12/2007. Items may be added in the future. In the event of unforeseen circumstances such as bad weather during the build week, it may be necessary to simplify and/or change the playground design. We therefore cannot guarantee all components will be built, though we will make every effort to do so! If this occurs you will still receive a visible acknowledgement of your donation. Final donations will need to be verified to eliminate duplicate sponsors. We greatly appreciate your understanding.
